

Commercial Excellence Programme

FOR YOUR SALES & MARKETING TEAMS

THE CHALLENGE

To win business in today's fiercely competitive market landscape, "good" is not enough. Investment Managers need outstanding Sales & Marketing teams with an in-depth knowledge of their business, acute awareness of client business needs, and exceptional communication skills.

THE GOAL

Train your RMs to get the most out of your bank's extensive service offering and hone their client engagement skills to stand out from the street and win market share.

THE SOLUTION

Select [Intuition](https://www.intuition.com) as your strategic learning partner and run a Commercial Excellence Programme.

Combining our award-winning digital tools with an intensive workshop led by seasoned professionals, the programme is a unique opportunity for your team to take their technical knowledge and delivery skills to the level of excellence required.
